Assignment =02

(1)

```
Public class Command cline Argument {
Public static void main (String[] args)
{
    int a = Integer. parseInt (args[0]);
    int b = Integer. parseInt (args[1]);
    int Sum = a + b;
    System. Out.println ("Sumis" + Sum);
}
}
```

Output

| SUM - is 13 |
